

Marie Grace UWIMPAYE

She is Finance officer, Bachelor holder in Business administration from school of Finance and banking known today as the UR college of Business and economics specialization in Finance.

Skilled Finance Officer with 7 years diverse accounting and finance experience in Local and International. Organized and results-oriented professional capable of identifying deficiencies and potential opportunities for improving organization functionality. Proven planner and analyst with an in-depth understanding of auditing standards and their requirements.

I love to be outdoors – Traveling, dancing & singing, gardening, skiing, etc. are at the top of the list.

When not outdoors, I absolutely love to cook.

Regards,
